January 2018

Happy 2018!

The New Year has us all thinking about resolutions for the year. I came across the following list and think these are good reminders and something we can all try to achieve...

1. Say 'I love you' often
2. Give hugs
3. Laugh lots
4. Don't sweat the small stuff
5. Enjoy the little moments
6. Be Patient
7. Don't be hard on yourself
8. Learn from your mistakes
9. Find some fun in every day
10. **And Above All Else.....**

Be Kind

Kindness goes a long way to make someone else's day a little better! We are looking forward to an exciting year at Oakview. We know there will be challenges along the way but together and with perseverance 2018 is shaping up to be the best year ever!

New Year Reminders

Please inform Oakview staff if you:

1. Change your address
2. Change your phone number
3. Change insurance for the resident
4. Need to include other emergency contact information
5. Have updated funeral home information
6. Have a change in legal papers, ie: MDPOA/DPOA, Guardianship, Conservatorship

If you are sick we ask that you wait to come in and visit your loved one. It is that time of year that the common cold and flu does go around and we appreciate that you don't share it with your loved one. Feel free to call via phone to check on them or talk to them.

We are in search of pictures or stories people may have regarding the blizzard of the century. This was a snow storm that occurred on February 4, 1978 and we are coming up to the 40th anniversary of this event. We would like to share pictures and stories with the residents about this. If you have anything to share please swing by the activity department so we may make copies of pictures and stories.

Thank You

Dietary note of Interest: We will be doing the next cart rotation for the 1st Quarter (January-March) starting on 1/1/18. This cart rotation is set up to change quarterly so all residents will have the opportunity to be served 1st at various meals throughout the year. This will change for all lunch and supper times as to when your hall cart will go out. For instance if East Hall was 1st after the dining rooms they will be moved to 2nd after the dining rooms for this quarter and if a cart was last they will move to first for this quarter and so on. Also remember that the resident dining room gets served 1st for all meals.

Hope this reminder helps!

We have conference rooms here at Oakview that are available for resident and family use. To reserve one all you need to do is contact the Administration office to check for availability. Please note that there is to be no alcohol use associated with it.

Every month, we will include one of the Resident Rights or Responsibilities as written in Oakview's "Residents Rights and Responsibilities" policy. We want our residents and their families to know these important Resident Rights and Responsibilities. If you should have any questions about any of these, please don't hesitate to ask.

2C. A patient is entitled to confidential treatment of **personal and medical records** and may refuse their release to a person outside the health facility except as required because of a transfer to another health care facility, as required by law or third party payment contract, or as permitted or required under HIPAA.
